

SCHOOLWIDE PRACTICE TEST DAY

CA SCIENCE TEST

Recommendations to Prepare for Testing

"To have the best experience with testing, it is recommended that test examiners and test administrators run at least two practice sessions with students."

Source: caaspp.org

Thursday, April 22
8:05 am - 10:25 am

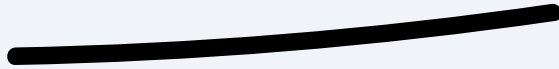

**Students will meet in
their testing rooms.**

What Students Need for Practice Day...

A computer meeting the minimum operating system requirements:

Internet access with a minimum capability of 24 Kbps (To test the speed of the internet, users can access <https://www.speedtest.net/>)

A mouse or touch screen.

A webcam or camera for video monitoring.
A microphone.

A speaker or headphones.

A monitor or screen large enough for comfortable reading.

Other items needed:

- Testing calendar and virtual testing room (*This information will be mailed to student's school email address.)
- SSID #
- A quiet place where your child can take the test.
- *Secure Browser (*Teacher will walk through this process on Practice Day.)
